These references were cited in an International Search Report in the corresponding International patent application PCT/DE00/04134 and in the examination of the parent application, German Patent No. 199 56 479.5. Since the International Search Report and publications therein have previously been transmitted to all the designated Offices by the International Bureau, Applicant does not enclose copies of those publications (A1, A2, A3 and A6). Applicant, however, encloses copies of publications (A4 and A5) cited in the examination of German Patent No. 199 56 479.5. A reproduction of PTO Form 1449 accompanies this statement.

This statement is not to be interpreted as a representation that the cited publications are material, that an exhaustive search has been conducted, or that no other relevant information exists. Nor shall the citation of any publication herein be construed *per se* as a representation that such publication is prior art. Moreover, Applicant understands that the Examiner will make an independent evaluation of the cited publications.

No additional costs are believed to be due in connection with the filing of this Information Disclosure Statement. However, please charge any necessary fees in connection with the enclosed statement to our Deposit Order Account No. 12-0080.

Respectfully submitted,
